1.4 It can be seen that the totality of the Programme can be agreed to the contract values and the Programme, the following table shows a reconciliation of this Programme between financial years.

|   | Total<br>£'000 |
|---|----------------|
| Revised Business Transformation Capital Programme | 10,899         |
| Capital Programme 2012/13                         | 5,050          |
| Capital Programme 2013/14                         | 5,241          |
| Capital Programme 2014/15                         | 608            |
| Total   | 10,899         |

- 1.5 In addition to these changes to the Business Transformation Programme it is proposed that the capital provision for the Airwave Replacement Handsets be reduced by £72k to £427.8k in the light of the lower purchase price obtained and the provision for Body Armour be reduced by £100k to £253.5k reflecting the reprofiling of the replacement of the armour.
- 1.6 Approval is therefore sought to the above changes to the Capital Programme. Funding will be required to be adjusted in line with Spend the following table shows the revised Capital Financing for 2013/14:
