# THE POLICE AND CRIME COMMISSIONER FOR LINCOLNSHIRE

## FORWARD PLAN OF DECISIONS

### Explanatory Note

Contained within this Forward Plan are all the strategic decisions it is expected the Police and Crime Commissioner for Lincolnshire will take in the following 3 months. This Plan begins on 1 January 2018. It will be updated monthly and will be available 5 days before the beginning of each month. The Forward Plan and previous versions of the Plan are published on the Commissioner's website: <http://www.lincolnshire-pcc.gov.uk/Transparency/Decision-Making.aspx>

The Forward Plan gives the public the opportunity to know what decisions are due to be taken and to comment if they so wish.

The document shows:

- the decision(s) to be taken
- the date on which the decision will be taken
- contact officer details

Signed copies of Decision Reports are published on the Commissioners website within 24 hours for public inspection: <http://www.lincolnshire-pcc.gov.uk/Transparency/Register-of-Decisions.aspx> Whilst the principle of openness and transparency will be uppermost, the Commissioner will be obliged to keep certain sensitive information confidential. Such material will be classified using protective markings defined under the Government Security Classification Scheme (GSCS).

Examples include information the disclosure of which may:

- cause damage, harm or financial impact
- prejudice the prevention or detection of crime, the apprehension of offenders or administration of justice
- jeopardise the safety of someone
- be prohibited by any enactment

Decisions cannot always be identified in advance; in exceptional circumstances the Commissioner may take decisions that are not in the Forward Plan but cannot wait for the next issue of the Plan, provided appropriate procedures are followed.

The Police and Crime Panel for Lincolnshire, as part of its oversight role of the Commissioner, will have the ability to review decisions made by the Commissioner.
