- A. NON-CONFIDENTIAL FACTS AND ADVICE TO THE PCC**
- A1. INTRODUCTION AND BACKGROUND**

1. The Proceeds of Crime Act 2002 (POCA) is a wide ranging Act aiming to take the profit out of criminality. A part of the act gives power to the police and other public bodies to confiscate assets and cash from individuals who are convicted of offences or who, on the balance of probability, have benefited from their illegal activities.
2. The Asset Recovery Incentivisation Scheme (ARIS) was set up in 2006. The Scheme is a mechanism for returning to law enforcement agencies a proportion of the assets they recover. The objective of the scheme is to provide law enforcement agencies with incentives to boost asset recovery as a contribution to reducing crime and delivering justice by giving them a direct stake in the proceeds they generate from that work.
3. Although primarily aimed at driving up asset recovery performance, the money returned is not ring-fenced and can be used for a number of purposes in the context of reducing crime and reducing harm; including community project funding.
4. ARIS funding can be used as the sole source of funding for projects/initiatives, or can be combined with other funding sources available to the PCC to maximise outcomes.

The Police and Crime Commissioner has undertaken discussions with partners regarding the use of funding to drive up asset recovery performance and support the delivery of the strategic aims and priorities set out within the Community Safety, Policing and Criminal Justice Plan for Lincolnshire 2017-2021. Proposals resulting from those discussions are set out in Appendix A.

A2. LINKS TO POLICE AND CRIME PLAN AND PCC'S STRATEGIES/PRIORITIES

These grants will help to deliver the strategic aims and priorities set out in the key principles of the Community Safety, Policing and Criminal Justice Plan for Lincolnshire 2017-2021. These are: Community Safety and prevention in partnership; Listening, responding and being accountable; Protecting and supporting victims and the vulnerable; Policing that works.

B. FINANCIAL CONSIDERATIONS

Provision for the proposals set out in Appendix A to the report was made in the revenue budget for 2019/20 approved on 25 February 2019 (report ref 004/2019) and the Development & Partnership Working Reserve, as per the Reserves Strategy in the PCC decision reference 008-2019.

C. LEGAL AND HUMAN RIGHTS CONSIDERATIONS

[This should include the legal powers the PCC has for making the decision]

Section 9 of the Police Reform and Social Responsibility Act 2011 provides Police and Crime Commissioners with the powers to award crime and disorder grants to any organisations and projects which, in the opinion of the PCC, will secure, or contribute to securing, crime and disorder reduction in the police area.

In addition, Section 143 of the Anti-social Behaviour, Crime and Policing Act 2014 provides Police and Crime Commissioners with powers to provide or commission services. Within the meaning of this section, a PCC may provide or arrange for the provision of:

- (a) services that in the opinion of the PCC will secure, or contribute to securing, crime and disorder reduction in the PCC's area
- (b) services that are intended by the PCC to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour
- (c) services of a description specified in an order made by the Secretary of State.

A PCC arranging for the provision of services under this section may make grants in connection with the arrangements. A grant may be subject to any conditions (including conditions as to repayment) that the PCC thinks appropriate. For the purposes of the legislative provision "anti-social behaviour" means behaviour by a person that causes or is likely to cause harassment, alarm or distress to one or more other persons not of the same household as that person; "crime and disorder reduction" means reduction in levels of:

- (a) crime and disorder (including anti-social behaviour and other behaviour adversely affecting the local environment),
- (b) the misuse of drugs, alcohol and other substances, and
- (c) re-offending.

D. PERSONNEL AND EQUALITIES ISSUES

[This should include a copy of the Equality Impact Assessment, if required]
