A. NON-CONFIDENTIAL FACTS AND ADVICE TO THE PCC

A1. INTRODUCTION AND BACKGROUND

1. The Proceeds of Crime Act 2002 (POCA) is a wide ranging Act aiming to take the profit out of criminality. A part of the act gives power to the police and other public bodies to confiscate assets and cash from individuals who are convicted of offences or who, on the balance of probability, have benefited from their illegal activities.
2. The Asset Recovery Incentivisation Scheme (ARIS) was set up in 2006. The Scheme is a mechanism for returning to law enforcement agencies a proportion of the assets they recover. The objective of the scheme is to provide law enforcement agencies with incentives to boost asset recovery as a contribution to

reducing crime and delivering justice by giving them a direct stake in the proceeds they generate from that work.

3. Although primarily aimed at driving up asset recovery performance, the money returned is not ring-fenced and can be used for a number of purposes in the context of reducing crime and reducing harm; including community project funding.
4. ARIS funding can be used as the sole source of funding for projects/initiatives, or can be combined with other funding sources available to the PCC to maximise outcomes.
5. The Twinning Project delivers football-based programmes to improve prisoners skills and employability whilst simultaneously improving their mental, physical health and all-round wellbeing. This will enable prisoners to obtain a qualification which will help improve their life chances and ultimately help them gain employment upon release. It also develops soft skills such as communication, confidence, resilience, leadership and problem-solving.
6. The project will be undertaken to 3 cohorts of 16 individuals within Lincoln Prison with all 48 having completed the course by the end of 2022.

A2. LINKS TO POLICE AND CRIME PLAN AND PCC'S STRATEGIES/PRIORITIES

This will support delivery of the Community Safety and prevention priority within the Community Safety, Policing and Criminal Justice Plan 2021 – 2025.

B. FINANCIAL CONSIDERATIONS

Provision for the proposal was made in the revenue budget for 2021/22 approved on 24th February 2021 (ref 004/2021).

The total cost of the programme is £10,000. The cost of the programme to the PCC is £5,000 with the PCCs contribution being matched by the Twinning Project.

C. LEGAL AND HUMAN RIGHTS CONSIDERATIONS

[This should include the legal powers the PCC has for making the decision]

Section 143 of the Anti-social Behaviour, Crime and Policing Act 2014 provides Police and Crime Commissioners with powers to provide or commission services. Within the meaning of this section, a PCC may provide or arrange for the provision of:

- (a) services that in the opinion of the PCC will secure, or contribute to securing, crime and disorder reduction in the PCC's area
- (b) services that are intended by the PCC to help victims or witnesses of, or other persons affected by, offences and anti-social behaviour
- (c) services of a description specified in an order made by the Secretary of State.

A PCC arranging for the provision of services under this section may make grants in connection with the arrangements. A grant may be subject to any conditions (including conditions as to repayment) that the PCC thinks appropriate. For the purposes of the legislative provision “anti-social behaviour” means behaviour by a person that causes or is likely to cause harassment, alarm or distress to one or more other persons not of the same household as that person; “crime and disorder reduction” means reduction in levels of:

- (a) crime and disorder (including anti-social behaviour and other behaviour adversely affecting the local environment),
- (b) the misuse of drugs, alcohol and other substances, and
- (c) re-offending.

D. PERSONNEL AND EQUALITIES ISSUES

[This should include a copy of the Equality Impact Assessment, if required]

None specific.
