A. NON-CONFIDENTIAL FACTS AND ADVICE TO THE PCC

A1. INTRODUCTION AND BACKGROUND

1. In January 2022 the National Trading Standards (NTS) Team secured funding to disburse to organisations who take a multi-agency approach to fraud prevention. This funding was ringfenced for the purchase of call blockers only.
2. The Office of the Police and Crime Commissioner (OPCC) work in partnership through the Fraud Core Priority Group of the Safer Lincolnshire Partnership. The aims of this group include:
 - Raise awareness of fraud in the community – educate people to protect themselves and others
 - Raise awareness of fraud with frontline staff – staff are able to quickly identify and report/respond to incidents, preventing loss/further losses

- Improve our understanding and identification of fraud targeted at vulnerable victims through improved intelligence capture and exchange
 - Ensure vulnerable victims of fraud are identified and safeguarded from further victimisation Identify individuals and businesses involved in fraud targeted at vulnerable victims. Ensure a co-ordinated approach to enforcement opportunities
3. The OPCC has previously purchased call blockers, which are useful in that they provide data to improve the intelligence picture around fraud whilst at the same time protecting vulnerable victims.
 4. A bid was therefore made to NTS and £7,931.03 was secured. This will enable the purchase of 35 True Call Secure+ call blocker devices, inclusive of 3 years control panel service and warranty, training and monthly reporting of blocking activity.
 5. Identification of suitable recipients, the installation and management of the call blockers will be undertaken by the Lincolnshire Police Crime Prevention Team.

A2. LINKS TO POLICE AND CRIME PLAN AND PCC'S STRATEGIES/PRIORITIES

This will support delivery of the Community Safety and prevention in partnership priority within the Community Safety, Policing and Criminal Justice Plan for Lincolnshire 2021-2025. Specifically, the use of targeted prevention activity, providing individuals with the knowledge and awareness to identify and report scams with the aim of reducing the number of victims.

B. FINANCIAL CONSIDERATIONS

The cost of the call blockers will be met by a successful bid to the National Trading Standards Team which secured £7,931.03 funding ringfenced for the purchase of call blockers. This funding has been allocated to the Victims Budget (2210080).
